*QMS Courier & Cargo offers the best and tailor made solutions for variety of packages delivered anywhere in world*

# ABOUT US

QMS Courier & Cargo is a company that started operations in 1999. The vision was to become the top domestic courier services company based in Pune by being a leader in technology led supply chain logistics. The aim was to enable businesses harness the power of assured, time bound and technology driven supply chain, optimally. Over the years we built our operations across the width and breadth of India with a focus on servicing more pin codes than anyone else in the Country.

## OUR STRENGTH

INNOVATION

TIME BOUND DELIVERY

- Real Time Tracking of parcels and packets
- Proprietary Software that integrates with your systems to get you latest status updates
- Well established regional offices, deliver centers and partnerships at a state, national and international level.
- Specialized in last mile delivery
- Total postal service at your door step.

# OUR SOLUTIONS

## CORPORATE SOLUTIONS

In a nutshell we are registered as corporate courier service partner with lot of MNC's in sectors such as Banking and Finance, Telecom, Insurance, Logistics, Education, IT and wellness . We know how critical it is for products, IT Equipments, Cheque book, policy documents, Debit & credit card, bills etc. to reach their customers on time. This has allowed us to optimize our management and software systems to offer tailored and optimized solutions to these corporates. Thus today QMS has multiple customized delivery solutions for any corporate house.

## EXPRESS SERVICE

QMS express is our premium cargo and courier service which ensures delivery in 24 hrs to any serviceable location in our network with 100% telephonic and online support. We work across the spectrum of businesses be it SMEs or global corporations. Our app, robust tracking mechanisms and proof of delivery systems ensure that you and your customer are always aware of the package's movement.

## AIR CARGO

Air Cargo is used for all your urgent Parcels and Cargo delivery which are time sensitive and critical. We can offer you same day or 24 hour delivery service.

## SURFACE CARGO

This is the best service when you are not time bound. You are able to send cargo and Parcels much cheaper compared to Air Cargo. What makes this an ideal service is that it is low cost yet high quality. You get all the benefits of Express delivery such as robust tracking, package safety and delivery in pristine conditions while you pay a fraction of the cost.

## POSTAL SERVICE

We are an approved licence holder of Government of India's Department of Posts under SSMS. We offer Speed Post, Registered Post, end to end services for bulk mailing support services such as book post, first class Post, ordinary Post despatch of Monthly Bills of Depository Participant, Annual Reports, Dividend Warrants, option letters, Credit card statements, Advertisement letters and Greeting cards for bulk mailing, and other support for our Corporate clients for smooth dispatches to customers on behalf of our valuable clients.

## EXPRESSIONS

Expression QMS is a special gifting and occasions service offering wherein we deliver smiles to our customers by delivering gifts for their loved ones on special days. Our USP compared to other courier service provider is that we undertake services beyond delivery including purchase and wrapping of gifts before shipping them. This is a standard service available throughout the year.
